\sum	Create a Classi	

Fill in as much of the information as you can **then** click on the **Create a Class** button at the bottom.

Once you've done this you'll see a page with all the information about your site on it. Be sure to make a note of the class key and your username and password and then click on the button that says 'Finish'.

This will take you back to a window like this:

Here you'll need to re-enter your **Username** and **Password** then click on **Log In to the ICA**.

This will take you to the home page of your site which should look like this:

Well done. You now have your own online classroom and you can start adding content to it.
